Life and Health Insurance Advisor Spring 2019 Volume 12, Number 1

The Keys to Identifying Health Care Fraud

Most health care providers are honest. But the few that aren't can ruin it for everyone else by driving up health care costs and insurance premiums. [Read on for details.](#)

This Just In...

ACA Ruling Now Before Court of Appeals

Now that a U.S. district court judge has ruled that the Affordable Care Act (ACA) is unconstitutional, you're probably wondering if it's still a law.

[Read on for details.](#)

How Having a Disability Affects Life Insurance

If you have a disability, you may want to do more research than most people before purchasing life insurance. [Read on for details.](#)

How to Prepare for Retirement — Beyond Saving Money

It's never too soon — or too late — to plan for retirement and to take positive steps for saving money [Read on for details.](#)

Medical Trends That Will Affect Your Pocketbook

You don't need a crystal ball to know that health care costs will continue to climb. [Read on for details.](#)
